

BIO – Ryan McEachern

Ryan McEachern is the Managing Director for the Mining Suppliers Trade Association Canada (MSTA CANADA). He has over 25 years of experience working in Canada and internationally in the mining industry for multinational mining, investment banking and global manufacturing and drilling services firms. Ryan holds an MBA from Wilfred Laurier University, a Bachelor of Science (Geology) from Lakehead University and holds a designation as a Professional Geologist in Ontario, Canada.

For more than 40 years, MSTA CANADA has been the national voice for the Canadian mining supply and services sector. The member based non-profit association mandate is to connect members to opportunities to grow their business and achieves this mandate through its three pillars of purpose: 1) Networking, 2) Education & Information and 3) Advocacy.
